

EUROPEAN CAPITALS
OF SPORT:

Att. To: Mayor of Antequera

Dear Mayor,

We have the honor to declare Antequera European City of Sport 2018. Congratulations for the award because your city is really a good example of sport for all as an instrument of health, integration, education and respect which are the main goals of ACES Europe.

You also have developed an exemplary sports policy with nice facilities, programmes and activities. Because of that we invite you to the next ACES EUROPE Awards Gala on December 6th at the European Parliament in Brussels.

We would like to extend this invitation also to your team, to a maximum of 3 persons due to security reasons. If you need to invite more people please contact with a Member of the Europarlament from Spain. I have to add that a video form your city (with no audio) is welcomed to be shown during the delivery of the flag.

A lot of people will attend the event, including EP Members, Ministers, Mayors and different authorities. Marseille 2017 will handover the European Capital of Sport title to Sofia 2018 in a great ceremony.

Additionally all awarded cities, towns and communities will receive their title and flag for 2018. The Mayor of Sofia European Capital of Sport 2018 will be also there. Budapest 2019 and Malaga 2020 will explain shortly their project for the coming years and we will announce the European Capital of Sport for 2021 with Lisbon and The Hague as candidates.

This will be the perfect opportunity for you to exchange experiences and interact with the municipalities that will be hosting the title next year.
